CENTRAL INTELLIGENCE AGENCY

Honorable John O. Pastore, Chairman  
Joint Committee on Atomic Energy  
United States Congress  
Washington, D.C. 20510

Dear Mr. Chairman:

In my letter to you on 20 May 1975 I requested your assistance in making the Joint Committee's secure storage facilities available for the retention of certain sensitive material to which access is needed by the Senate Select Committee to Study Governmental Operations with Respect to Intelligence Activities. Those arrangements have been made with Mr. George Murphy and with the Select Committee. I want to thank you for making the facilities available and for permitting Mr. Murphy to be the custodian of the material.

A further need has now arisen for the same kind of arrangement for the House Select Committee on Intelligence. Again I would be very grateful to you and Mr. Murphy if a similar arrangement could be made for the members of the House Committee and members of the Committee staff designated for access to such material by mutual agreement of Chairman Nedzi and myself.

Sincerely,

  
W. E. Colby  
Director

Attached is the letter we need in order to set up arrangements with Murphy and company for the House Committee. The last sentence may be a little awkward but I worded it this way so that we might limit the access of certain members as well as Committee staff.
